SUPPLEMENTARY INFORMATION:

History

On August 22, 2011, a NPRM was published in the FEDERAL REGISTER amending Class E airspace at Pelion, SC to accommodate new standard instrument approach procedures for Lexington County Airport at Pelion (76 FR 52290). Subsequent to publication the FAA found that the airspace currently existed under the airport's previous name of Corporate Airport and the city designator of Columbia, SC. To avoid confusion this proposed rule is being withdrawn and will be established under another rulemaking with the new airport name and designation, along with an amendment for the Columbia, SC controlled airspace area removing Corporate Airport from the description.
